

ROYAL MANITOBA THEATRE CENTRE BUS SUBSIDY PROGRAM

ABOUT THE PROGRAM

Royal Manitoba Theatre Centre acknowledges that the high cost of student transportation can make it challenging for schools to attend our productions. To help alleviate the financial burden of transportation, we have allocated specific funds to partially cover the cost of bus transportation for schools attending productions in our 2017/18 season. This subsidy is intended to support schools that serve students from low income communities and schools that are travelling long distances to attend a play.

- Five subsidies of \$100 will be awarded to schools within the city of Winnipeg located in neighborhoods with low household incomes (this will be cross referenced with data from the Statistics Canada 2010 Census as presented on the United Way's mypeg.ca).
- Five subsidies of \$100 will be awarded to schools outside of Winnipeg travelling long distances to attend a play.

HOW IT WORKS

This subsidy is exclusively available to K-12 schools attending Royal MTC productions in the 2017/18 season.

The application deadline is Wednesday, September 20th, 2017. The subsidies will be allocated and schools will be notified during the week of September 25th, 2017. In the event of a large number of applications, subsidies will be awarded by lottery in each of the above categories.

This subsidy is valid for school bookings received on or before September 20th, 2017. Subsidies will be applied against cost of tickets and a new invoice will be issued to schools that receive funding.

This subsidy is intended to cover the cost of booking school buses. Schools will be required to provide proof of transportation costs in the form of a confirmation or invoice before the subsidy is applied to their order. We will not accept applications to cover the costs of using personal vehicles. Transportation must be arranged by the school.
