BACKSTAGE PASS

FOR: GRADE 11 & 12 STUDENTS

Discover and explore how artists, craftspeople and designers create the theatre magic you see onstage. This engaging series of six eye-opening workshops led by theatre professionals takes you behind-the-scenes like you've never been before, while giving you the chance to see every Mainstage production for free. Learn about topics like set and costume design, choreography, auditioning, playwriting, and so much more! No experience is necessary - just curiosity and a willingness to learn and have fun!

TEEN CRITIC PROGRAM

(FORMERLY HIGH SCHOOL AMBASSADORS)

FOR: GRADE 10-12 STUDENTS

Have an opinion? We want to hear it! As one of Royal MTC's Teen Critics, you'll get a VIP ticket to attend opening night performances at both the Mainstage and Warehouse for free. Broaden your mind, sharpen your critical eye and be one of the first to see our professional shows. Feedback plays a very important role in theatre (and in life) and the Teen Critic formula is simple - watch the show, then tell us what you think!
