SECTION 3: COMMITMENT

We are looking for artists to play the Von Trapp children in our 20/21 production of *The Sound of Music*. The young artists will perform and rehearse in Winnipeg. While this production is also going to Edmonton, the youth roles will be cast in each city and the Winnipeg youth actors WILL NOT be travelling with the production. It is understood that any child offered a role has to be available for all rehearsals and performances, the child's school would have to be willing to make alternative arrangements for the child's education, and an adult family member have to transport the child to and from the theatre each day. The producing theatres will make every effort to keep the family informed through every step of the process. There may be extracurricular activities, sports, concerts, vacations, birthday parties, and other events that your child will have to forego while in a production, so it is a good idea to discuss this thoroughly. This is a very big commitment for the children and their families, so please take this into consideration prior to auditioning. Despite the challenges, this role offers unique learning opportunities for children with big dreams and families with equally big hearts.

I UNDERSTAND AN AUDITION DOES NOT GUARANTEE AN OFFER TO BE IN A ROYAL MANITOBA THEATRE CENTRE PRODUCTION. YES NO
