WARM UP GUY

It's really great to have you all here  
this evening. Really great. Did you hear  
the news this afternoon? Oh there was  
some very interesting news this  
afternoon. Amnesty International has come  
out against Marriage?  
Think about it.  
It was only a matter of time, Ladies and  
Gentlemen.  
Let me ask you a question:  
How is everybody feeling tonight?  
Hello.  
Is there anybody out there?
