

EVENT ACCESS INFORMATION

at the Manitoba Museum during construction

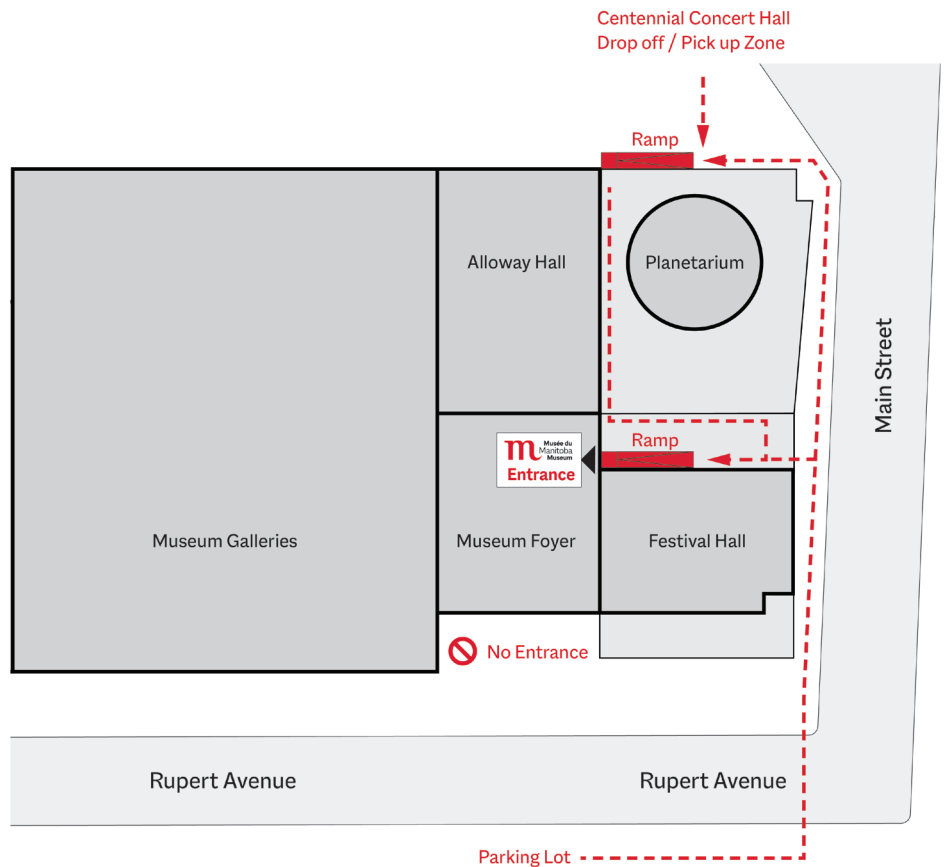

The Manitoba Museum has embarked on an exciting journey of transformation, beginning with significant upgrades to our Rupert Avenue entrance, followed by a comprehensive renovation of our foyer later in late fall 2024.

The Museum's Rupert Avenue entrance is closed to public traffic from mid-August to summer 2025. During this time, guests attending an event at the Manitoba Museum may use the Centennial Concert Hall loop on Main Street to drop off and pick up passengers. Guests should then proceed to the Manitoba Museum's Main Street entrance to access the building.

Parking is not permitted at the Centennial Concert Hall. The loop should be used for drop-off and pick-up only.
