"Profoundly unnerving, intriguing and affecting" – **NOW Magazine**

WINNIPEG, November 14, 2022 – *Let's Run Away* is a raucous, heartbreaking and slightly unhinged performance of love and abandonment from celebrated Canadian theatre artists Daniel Maclvor and Daniel Brooks. This one-man show features a man, a memoir and a guitar to tell the story of two lives lived, even if it's not in the traditional way.

Maclvor and Brooks embarked on this project, their seventh solo show together in 30 years, in 2017. During the writing process, Maclvor, the godfather to Brooks' daughters, would talk into a microphone while Brooks listened, edited and analyzed in real time. "... the foundation of our method is deep listening," says Brooks.

Maclvor and Brooks have both won the Siminovitch Prize in Theatre.

Let's Run Away stars **Daniel Maclvor** as Peter.

The creative team features Director and Dramaturg **Daniel Brooks**, Producer **Marcie Januska**, Stage Manager **Alison Crosby**, Lighting Designer **Kimberly Purtell**, Sound Designer **Deanna H. Choi**, Associate Sound Designer **Dasha Plett**, Assistant Director **Stephanie MacDonald**.
