"...I came away spiritually recharged by confrontation with Ibsen's masterpiece." – The Guardian

**WINNIPEG, January 21, 2019** – A story of great love, deceit and discovery, *A Doll's House* broke ground and caused widespread scandal when it was first produced. See it at the Warehouse from January 31 to February 16.

Henrik Ibsen's realist masterpiece resonates more than a century after the debut of Nora Helmer, whose bourgeois illusions are shattered by the realization that she's merely a doll in her own home. Nora is so hopelessly devoted to her husband Torvald that she'll do anything to save his life. When a blackmailer threatens to reveal all, Nora must decide how far she'll go to protect her family.
