WINNIPEG, February 19, 2019 – Go on a journey from Abruzzo to Alberta in *Made in Italy!* This charming and warm-hearted one-man play rife with twists and turns.

It’s the 1970s and Francesco is the only kid in his Jasper school with a three-piece suit and a lunchbox full of cured meats and aged cheeses. Torn between his father’s deep Italian roots and the desire to adapt to his new country, Francesco Mantini fights his way to a new identity, with John Travolta as his model. Will the family bond survive Francesco’s rise to fame as Frank Martin?
